OLD BUSINESS

1. LVRR gave \$2,000 to XX for purchase of an adaptive running chair.
2. Women's shower is fixed. Shower knob repaired to moderate water temperature.
3. South Mountain update given. Race had highest number of registration in the last 5-6 years. Successful race day. Fleece jackets were a hit.
4. Leslie discussed the fact that Chronotrack is a fully integrated system, meaning it is both a timing system and race day registration system.

NEW BUSINESS

1. Leslie is working to form a Timing Committee, which will time all club races, except the half marathon and the Summer Series. She will open a request for members to the club membership.
2. Processing fees are currently being applied to donations within the half marathon registration. Jill will fix this so that donors are not assessed a processing fee.
3. 100 cases of gallon jugs of water were offered to LVRR by D&L Half Marathon. While grateful for the thought, LVRR is unable to use them.
4. Fall Cleanup will be rescheduled from 11/20 to 11/27/16 due to impending inclement weather.
5. Wine tasting contest numbers are low. Would like to have at least three more people involved. Email will be sent to our List.

Meeting adjourned. Next meeting will take place January 18, 2017.
